Babeco's sustained growth in a highly competitive industry is confirmation of our commitment to delivering the highest quality products at competitive prices and supporting our goal of superior customer satisfaction.

To improve and maintain our level of excellence we have adopted an ISO 9001:2015 based management system and a corporate policy statement that includes:

- Commitment to always meet or exceed our customer's requirements and expectations.
- Continually pursuing improvement of our business management system and our products.
- Providing a safe environment for our employees to perform their tasks and communicating applicable requirements.
- Adhering to all Interested Party requirements (Appendix G), as well as those defined in the International Standard.

Lower level objectives and targets are established in Appendix F, Target Attainment Plan (TAP) to support this policy, and act as a framework for monitoring system performance as well as establishing the basis for continual improvement efforts.
